MOTION TO CLARIFY

The Union Light, Heat and Power Company (ULH&P) respectfully seeks clarification of the Commission’s Order dated May 3, 2004 in this proceeding. Ordering Paragraph 3 states: “ULH&P shall file with the Commission the actual costs of the construction performed in 2004 in its fourth quarter progress report.” It is unclear whether the Commission is requiring ULH&P to file such information with the fourth quarter progress report due December 31, 2004 or on or by March 31, 2005, when ULH&P files its Annual Filing on the construction activity that occurred through the fourth quarter of 2004. In fact, ULH&P will not have the complete actual cost data available until the latter date, due to the normal delay that occurs between the time when the construction activity occurs and the time when the costs are posted to ULH&P’s accounting system. ULH&P therefore respectfully suggests that Ordering Paragraph 3 be clarified to state as follows: “ULH&P shall file with the Commission the actual costs of the construction performed in 2004 when ULH&P files its Annual Filing, by March 31, 2005.”

WHEREFORE, ULH&P respectfully requests that the Commission clarify its May 3, 2004 Order as requested herein.

Respectfully submitted,

THE UNION LIGHT, HEAT AND POWER
COMPANY
